

## Weekly Announcements – Week 18

14<sup>th</sup> September – 18<sup>th</sup> September, 2015

1. Last week, Year 4-6 students had their two day/one night Scout Camp. The Student Affairs Department would like to thank all of the Thai and foreign teachers who worked together to make the camp a happy and fun educational experience for students.
2. The Term 1 Final Examinations will be conducted between 28<sup>th</sup> September and 2<sup>nd</sup> October. Students are encouraged to begin reviewing their school work and ensure that they have submitted all assignments to teachers. Teachers should also follow-up with students who have not yet submitted work. Exam Timetables and Exam Content Letters were placed on the school's website today.
3. This week is the final week that the scores in Classroom Behavior Books will be considered. Next week, Student Affairs will announce who are the best classes from each Year Level for Term 1 and present them with an award.
4. On Tuesday 15<sup>th</sup> and 22<sup>nd</sup> September, students will do DEAR in their classrooms where teachers can guide them with reading.
5. On Wednesday 16<sup>th</sup> September, ACEP will welcome seven students from Assumption University (ABAC) who are completing a Masters Degree in Education. The visitors will be given information in The Trinity Building and tour learning areas. They may observe some classes in the afternoon.
6. On Thursday 17<sup>th</sup> September, Year 7 students will compete in a Spelling Bee in The Trinity Building. Immediately after the morning assembly, foreign homeroom teachers should take the Year 7 students to The Trinity Building. Year 7 subject teachers should also go to the Trinity Building that morning to help supervise students during the competition and accompany them back to their classrooms afterwards.
7. On Friday 18<sup>th</sup> September, the Student Affairs Department has arranged an Emergency Evacuation Drill for all students between 8:10 a.m. and 9:30 a.m.. It will be conducted by guests who will provide students with information and demonstrations on how to protect themselves in emergency situations involving a fire or explosion.
